## Program Overview

This handbook serves as a supplement to the Wayne County Schools Career Center Adult Education Handbook.

The Wayne County Schools Career Center - Adult School of Cosmetology is a 1500 hour program requiring approximately 17 months to complete. Cohorts start approximately every nine months.

The student is responsible for any costs not covered by financial aid. Monthly, interest free payments will be calculated by dividing the total amount due by 16. Payments will be due prior to the 15<sup>th</sup> of each month of the first 16 months of the program.

If it is necessary to withdraw from the program, notify your Career Services Advisor or instructor immediately. Any classes for which you have not completed the required coursework will be recorded as "incomplete" on your transcript. Pursuant to rule 4713-3011 of the Administrative Code, enrollment may be canceled by submitting written notice within three business days of the desired cancellation date. The reimbursement policy can be found in the adult education handbook.

## The Internship

Cosmetology students are required to complete a scheduled internship during the program. This page documents the internship process and any additional requirements that must be met prior to being released to begin the internship experience.

1. Students must be current in their coursework, and making satisfactory progress (C or better) to be considered for the internship.
2. Students must have 100% of hours scheduled in attendance (or make up) to be considered for the internship.
3. Students must meet with one of the instructors one month prior to internship so that they may collaboratively generate a list of possible sites based on the student's interest and the instructor's expertise in the field. The results of this meeting will be documented on the *Internship Release Form* included in this handbook.
4. Students are required to obtain the requisite signature at the bottom of the *Internship Release Form* and make an appointment with the Career Services Externship Coordinator who will make the internship arrangements with the site. (Please note: We wish to place students where they have an interest, but it is not always possible to grant a first choice based on the availability of the site listed.)
5. Students must meet all requirements of an individual site, in addition to the requirements listed in this handbook.
6. The Externship Coordinator will explain the paperwork and ensure the correct paperwork is distributed to both the student and the internship site supervisor.

Students are only permitted to provide services in the salon for which they have been "**Certified**". The school should provide the salon where the student is interning a copy of the certifications and/or list of these services.

**NOTE:** "Certified services" means services that a student has been authorized by the school to provide after successfully passing a theory and practical test for each service rendered to the public;

An Internship is intended to provide a student with in-salon experience while still earning hours toward program completion. Students should be providing services (for which they are certified) under the direct and immediate supervision of an experienced licensee. Cleaning, folding towels, etc. should not be the **ONLY** duties provided by the student intern. If a salon agrees to have a student intern, opportunities for the Intern to provide services should be available.

The school and the salon shall have a **signed training agreement and a completed training plan on file**. Schools shall provide salons with an internship packet that includes the laws and rules governing the practice of cosmetology and branches of cosmetology in the state of Ohio, the school's policies and procedures, and the student certifications required to participate in the internship program.

Students are required to maintain a daily journal of all services, jobs, and tasks performed by the student during the internship. The salon must sign off or initial each page to verify the accuracy of the entries. The school shall review the journal on a regular basis for evaluation purposes. Salons shall provide a written assessment to the school on forms provided by the board. All assessments of hours shall be done in increments of not more than sixty hours. All internship hours shall be assessed.

### **Notes**

*Internships are handled on a student-by-student basis. The WCSCC staff takes great care in matching students and site, based on student-preference and site-availability. Timing of internship may be adjusted to meet the needs of the selected site.*

*Students must inform the WCSCC staff of their site preference(s). Students are not to contact sites directly.*

Students must meet additional requirements while on internship. These requirements are listed below and must be met to successfully complete the internship experience.

1. Students are responsible to document internship hours on the time-sheets provided by the Externship Coordinator on a weekly basis, and turn them in to the Adult Education Office.
2. Students are responsible to complete the Student's Evaluation of the internship site and return it to the Externship Coordinator at the conclusion of their internship.
3. Students are required to call off to both their internship site and the Externship Coordinator, should an absence be necessary.
4. Should student concerns arise at an internship site, the Program Supervisor and the Externship Coordinator should be notified as soon as possible, and attendance at the site should continue until handled by the Program Supervisor and/or the Externship Coordinator.
