## General Classroom Information

Course Cost- Free to students. Textbooks will be returned to the Career Center at the end of the course.

\*\*Current interpretation of Ohio Revised Code 3365.09(A), shall allow, but not require, a school district or nonpublic school as appropriate to seek reimbursement under the following two circumstances: 1) If the student receives a failing grade at the end of the college course; or 2) If the student withdraws from or drops the college course subsequent to the 14th calendar day after the particular course began. Pursuant to Section 3365.09(C), neither a school district nor a nonpublic school shall seek reimbursement if the student is identified as being economically disadvantaged in accordance with Ohio Administrative Code 3333-1-65.6(B)(2).

Support Services -Appointments can be made with Career Center support teacher. We also provide before school and after school (2:45-5:00) tutoring in the Academic Assistance Area. At Stark State- Each student will be assigned a college instructor as a mentor. This mentor will meet with them at least twice during the course at the Career Center. Online instructors are also available by email for assistance. Students are also permitted to use tutoring services on campus at Stark State.

Consequences of Failing a Course- Failure of a course will put graduation in jeopardy. College Composition counts as a Senior English class which is a required course for graduation. For most students, Political Science will count as the required high school Government course and College Algebra and College Trig will count as the required fourth math credit.

**\*\* Scheduling difficulties may occur and it may be possible that the course is not offered due to low numbers of enrollees or a conflict with a required course.**
