Program Overview

This handbook serves as a supplement to the Wayne County Schools Career Center Adult Education Handbook.

The Wayne County Schools Career Center - Adult School of Cosmetology is a 1500 hour program requiring approximately 17 months to complete. Cohorts start approximately every nine months.

The WCSCC AE Cosmetology program is designed to prepare an individual for the State Board Licensure exam. This program will focus on the practical application of foundational knowledge of salon daily operations, scalp care, hair styling, cutting, highlighting, coloring and skin care, career advancement, cultural diversity, awareness of strengths and weaknesses related to the demands of a work environment. Students will practice trouble-shooting, skills and complete hands-on work-based projects.

The student is responsible for any costs not covered by financial aid. Monthly, interest free payments will be calculated by dividing the total amount due by 16. Payments will be due prior to the 15th of each month of the first 16 months of the program.

Cosmetology Board requires 1500 recorded hours of attendance. We understand that there will be some times that you need to miss class. Our attendance policy is 90% to graduate but 90% attendance would not allow you to qualify for the Cos Exam. To alleviate this issue we utilize the 150 hours of internship to make up for up to 10% of your absences allowing you to clock 1500 hours to qualify for the state boards.

If it is necessary to withdraw from the program, notify your Career Services Advisor or instructor immediately. Any classes for which you have not completed the required coursework will be recorded as "incomplete" on your transcript. Hours completed will be submitted to the Cosmetology board upon final balance being paid. The refund policy can be found in the adult education handbook.
