Distinguished Alumni 2026

Mr. Jonathan Hofstetter

1998 graduate of Central Christian & Ag Mechanics
Wayne County Commissioner

Mr. Hofstetter, a 1998 graduate of Central Christian and the Career Center's Ag Mechanics program, also attended Northwestern College and the John Glenn College Leadership Academy. His career has focused on service, including farming, diesel mechanics, firefighting/EMS, and serving as a township trustee. He is currently a Wayne County Commissioner and Vice President of the Board, and chairs Ag and Rural Affairs for the County Commissioner Association of Ohio.

He is active in his church and family life with his wife of 24 years and their five daughters, one of whom is being recognized tonight. He is known as a servant leader who leads by example.

Mrs. Sarah Edington

2004 graduate of Norwayne & Cosmetology
Hair Stylist at Burbank Beauty Salon

Mrs. Edington, a 2004 graduate of Norwayne High School and the Career Center's Cosmetology program, holds degrees from the University of Akron, Kent State, and Ashland University. She began her career through a high school internship and has since taught at the Career Center and Regency Beauty School. She currently works at Burbank Beauty Salon.

She is active in her community through her church, 4-H, and Norwayne Elementary.
Mrs. Edington lives by the motto, "Success comes by the little things in life."

Miss Kara McCoy

2010 graduate of Northwestern & Business
Professor & Faculty Research Librarian at Broward College
US Air Force Veteran & Currently Serves in the US Air Force Reserves

Miss McCoy holds degrees in Public Health, Library and Information Science, and International and Intercultural Education. She is an eleven-year Air Force veteran, currently serving in the Reserves and recently recruited by the Space Force.

In 2021, she deployed as a medic during Operation Allies Refuge. Now, an Assistant Professor at Broward College, she teaches research and information literacy, was named Partner of the Year, and plans to pursue a PhD in Public Administration.

Celebrating the Class of 2026

Many students have dynamic and multi-layered post-graduation plans including a combination of **enrollment, enlistment, and employment**. Each senior had the opportunity to indicate and be recognized for their primary “E” earlier this year, as listed below.

Students wearing teal cords have successfully completed 250 hours of meaningful work-based learning experiences. Demonstrating commitment, skill development, and real-world application of their career-tech knowledge while building strong connections with community partners.

Work Ethic Certified: Students have demonstrated an understanding of essential workplace values and behaviors through a focused curriculum and assessment. With this certification, students are prepared to succeed in a professional environment.

Best in Workforce: One student per trade is selected by their instructor and recognized by the Wayne Economic Development Council. These students have distinguished themselves as exceptional young professionals. Their reliability, initiative, and success in real-world settings make them stand out as valuable assets to their employers.

America 250 cords: All seniors received a red, white, and blue cord in celebration of America250 and the nation’s 250th anniversary.
