GOALS

2026–2029

OUR MISSION

Provide knowledge, skill development and experiences necessary for a lifetime of personal and professional growth.

OUR VISION

Using compassion, respect, and teamwork, we make WCSCC a great place to work and learn.

1

Connect Students to Career Pathways and Real-World Opportunities

Ensure all students gain the skills, knowledge, and experiences needed for success in today's and tomorrow's workforce.

2

Strengthen the Student Experience Through Support and Consistency

Create a safe, inclusive, and consistent environment where all students feel supported, respected, and connected.

3

Improve Facilities, Access, and Operations

Strengthen facilities, resources, and systems to support student success and future growth.

4

Equip Staff for Success

Provide staff with the time, tools, and support needed to deliver high-quality instruction and build a strong culture between staff and administration.

5

Strengthen Communication and Partnerships

Build clear, consistent communication and strong partnerships with families, schools, businesses, and the community.

6

Expand Adult Education and Lifelong Learning Opportunities

Increase access to flexible, high-quality training that supports adult learners and workforce needs.
